

CHAPERONE

For the safety and enjoyment of everyone visiting the Fleet today, we kindly ask that your group follow the rules below.

- **All students must stay with their chaperones throughout the visit.**
Each group must provide a minimum of 1 adult for every 10 children.
- **Please walk in the Science Center.**
For everyone's safety, no running or rough play is permitted.
- **Please enjoy food, beverages, and gum outdoors.**
The exhibits will provide plenty of food for thought.
- **Only children ages 5 and under are allowed in Kid City.**
Children enjoying Kid City must be accompanied by an adult.
- **The elevator is for handicapped and stroller access.**
There are many hands-on exhibits for everyone to explore, but the elevator is not a toy.
- **Please note: Chaperones and teachers are responsible for their group's behavior.**
Groups that are unable to adhere with behavior expectations may be asked to leave.

Special Exhibition: _____

As a chaperone, you have the important job of facilitating student learning and ensuring the safety of everyone in your group.

GATHER: This is a good moment to count heads and focus their attention on a particular exhibit to make observations.

EXPLORE: Encourage students' exploration, letting them take the lead, while encouraging them with questions.

What do you notice?

What do you think is happening here?

Is there something you want to try?

What does this remind you of?

What does this make you curious about?

What did you discover?

GO DEEPER: Encourage questions and comments of all students, maybe re-exploring. Draw or write per teacher's instructions.

TAKE FIVE: Make time to reflect with discussion or recording.

**Thank you for being
a great chaperone!**
